**The Bella Garden** was established in 2016 and is located just a few miles from our restaurant for a true farm to table experience. Throughout the summer and fall you will find our very own produce in many of our signature dishes, fresh specials, soups and drinks. Although we are always experimenting with new things to grow you can typically find fresh herbs, tomatoes, squash, cucumbers, eggplant and peppers as well as blueberries, raspberries and blackberries. Be sure to ask your server which menu items are made with Bella Garden ingredients.
